protective footwear

On May 28, 1998 the Ministry of Labour conducted a site tour of the MTCC facilities & determined that the exhibit levels during a move-in and move-out are considered construction sites, therefore, all workers must wear protective footwear as stipulated in the Occupational Health & Safety Act. The Occupational Health & Safety Act states "A worker exposed to the hazard of a foot injury shall wear foot protection appropriate in the circumstances" (R.R.O. 1990 reg 851-S82).

All exhibitors display and show managers and exhibit/display company employees that work on the exhibit levels during a move-in and move-out must wear protective footwear. Anyone found not wearing approved safety shoes will be immediately asked to leave the exhibit hall.

Safety in the workplace is an important issue for all of us and the MTCC appreciates your full co-operation and support with this important issue.

Should you have any questions, please feel free to contact Michel Genier, Manager of Floor Operations/Fire Safety Officer at 416-585-8278.
